Dear Anna and István,

26 July, 2015

How are things in Miskolc? I hope you are well and \_\_\_1\_\_\_ the summer and having some good days. It has been a very hot summer with temperatures in the 40s \_\_\_2\_\_\_ of the time. This is the \_\_\_4\_\_\_ end of our monsoon season.

Today we celebrate our last summer holiday - Labor Day. Many shops and businesses are closed, and there is \_\_\_5\_\_\_ mail today. School always started after Labor Day back in New York, where our families \_\_\_6\_\_\_ up. Here it starts in August and it is still very hot.

On Saturday we celebrated three birthdays \_\_\_7\_\_\_ it wasn't convenient to do them on the date. Anyway, it was fun to do and I made the chocolate cake.

Mike took \_\_\_8\_\_\_ on Saturday with three of his friends to do their yearly bike ride. They go to Durango, Colorado and bike. It is a mountainous town and they use their mountain bikes. They \_\_\_9\_\_\_ this for several years. It is about a seven-hour drive from here and is in a beautiful setting. Steph is holding down the shop and they have a \_\_\_10\_\_\_ man who can do the mechanics part.

I am \_\_\_11\_\_\_ painting every Monday afternoon - three hours. Our teacher is still very excellent about teaching and does a \_\_\_12\_\_\_ job. I am getting a collection of pictures.

In July Steph and Mike went to Hawaii \_\_\_13\_\_\_ celebrate Mike's birthday and they had a wonderful time. They went to the island of Kauai \_\_\_14\_\_\_ it rains the most place in the world (I think). It is different from the other islands in that it is mountainous, and they did snorkeling, swimming with some \_\_\_15\_\_\_, and climbing.

I wish you many days of good health and beautiful days.

Love,

Sarah
